### Woodhill Off Road Adventure Park Recovery Indemnity Form

Some discussion around the room as to the implications around the Health & Safety requirements in recovery situations.

Brent Whyte reminded the meeting that “we need to cover ourselves, because we enjoy recovering other vehicles. We need a document we know that will protect ourselves”.

Conclusion was that the club could offer some assistance, together with other associated clubs, to collectively rectify & safeguard responsibilities in recovery situations.

A working group was formed to report on this....

Brent Whyte, Betty, John Hickey & Amber + cc to our club Woodhill Park Liaison member, Brent Barker.
